### Smylies— Your home away from home

After the relaxed days of Xmas it's time to catch up with mates.

Come and enjoy our Hostel with all the fun you can handle.

Bring your mates and experience Keiko's yummy meals, a relaxed atmosphere, great garden, and some fun activities

The emphasis is on creating a relaxed atmosphere with some structure in place to ensure that you have fun, feel safe and create a good summer memory. Pick up from Christchurch area Thursday mid afternoon and drop off at similar time on Wednesday unless you are staying for the second week. We will bring you up to Springfield where you will settle into your dorms. There is also plenty of room to spread out and enjoy the lounge and sitting areas. There are plenty of board games and a large Japanese manga collection. You will have time to get to know each other, explore the property and relax before dinner. The week is loosely structured with activities planned to not overstress the body. In between activities you can amuse yourselves with board games, PS4, WI fit, out door activities and cooking classes.

We have tennis rackets, balls, baseball set, bikes, climbing wall, farm animals and much more. Check out photo's on <https://www.smylies.co.nz/Accommodation/YHA-Hostel/> to see the hostel then click through to all the great meals we eat and activities we do.

**Week 1: Thurs 30th Dec - Wed 5th Jan**
